

ADOPT A BAND

The high school marching band...the cornerstone of any school and is part of school life. Concerts, pep rallies, school assemblies, football games, parades, band reviews, playing Christmas Carols around the neighborhood and performing their halftime show at competitive field tournaments are some of the events that this amazing 166-member marching band does. They are the Mayfair High School Monsoon Marching Corps. This award-winning band is visible all over the community and have been musical champions at competitive events for the past 18 years; not only in California, but Nevada and Hawaii.

This prestigious program also boasts concert bands, orchestras, a jazz band and color guards where the students can experience music through various instruments and choreography; the results are the same...superior ratings at festivals and medals for the color guard. The program builds leadership through teamwork and gives the students a sense of pride as they defend their school at musical competitions.

To make this program a success, the budget for the program exceeds \$140,000.00 annually. Monies raised pay for:

- New Instruments
- Instrument Repair
- Competition Entrance Fees
- Staff
- Maintenance/Insurance of trailers
- Field Show Props
- New Music
- Field Drill
